POINTS OF

**SPECIAL INTEREST TO
FURNITURE BUYERS.**

It is one thing to make an assertion
and another to verify it.

We make the assertion that nowhere in America can equal choice and equal values in First-Class and Medium Quality Furniture be obtained to those offered at our establishment.

We verify said assertion by pointing to the immensity and variety of our stock and the moderate prices ruling throughout.

Not only do we show the largest assortment of Reliable Furniture in America, but the goods are displayed in our several salesrooms in such a way that visitors can readily judge of their effect when in position at home. By this we mean that in place of the conventional salesrooms, with their bare floors and oftentimes dingy surroundings, we display our goods in spacious, well-lighted and richly appointed showrooms. Our Furnished Specimen Rooms are also a unique and interesting feature, which should be seen by all intending purchasers.

HORNER & CO.
